No. 7191/36-E(III) B.C. 5th Oct. 1949.

To

The P. H. E. to Govt.

Subject: Territorial Changes.
Formation of the Eastern Project Sub-Dn.

Reference: Your D.O. letter No. 3383, dt the 2/4/49.

2. The proposed new Sub-Dn. is mainly intended for the execution ofthe following three schemes:-

(1) Improvements to Nasik Water Supply,
(2) Sinnar Water Supply,
(3) Malegaon Water Supply,

Govt. is of opinion that when once the work of the execution of these schemes will be undertaken, the S.D.O. and the technical staff of this Sub-Dn. will not be in a position to tackle the projects in the zone covered by the Eastern Public Health Works Division, as will be possible for the (a) Central Sanitary Project Sub-Dn. and (b) the Karnatak Sanitary Project Sub - Dn. under the Central Public Health Works Division and the Karnatak Sanitary Division, respectively. There is already one sub-Dn. named Sholapur Sanitary Project Sub - Dn. rackling with the projects in this area. It is therefore, suggested that the word"project" may be omitted for the present and the new Sub - Dn. be named as "Eastern Sanitary Sub - Dn." Its head Quarters will be at Nasik.

3. Please submit your remarks on the above at an early date.
